

Temple of Israel Men's Club Membership Application

Friendships are made here!

The Temple of Israel Men's Club exists to provide fellowship, to pursue Jewish thought, to do good works, and to support Jewish activities.

The Temple of Israel Men's Club was organized in 2008 as a Brotherhood organization that would enable Jewish men of the Cape Fear area to join together to pursue fraternal, social, and philanthropic goals. While the Men's Club does not restrict its membership only to men who are Temple of Israel members, it is organized as a non-profit organization under the auspices of the Temple and has become a major contributor to the Temple community.

★ **Monthly Meetings**
